

Dear Tor Holtan-Hartwig, Trine Johnsen and Ida Hvoslef and other Oslo River Forum friends,
Thank you for introducing CCTVs filmteam Yu Le and Zhao Fazhong and myself to the celebration of Oslo's rivers on Sept 22 and giving us the presentation about the important work you and other volunteers have been doing since the start of the Oslo River Forum initiative 20 years ago.
Thank you for picking us up Trine at the Vigeland sculpture park, helping us sort out the urgent internet issue and then showing us the wonderful waterfall in the midst of Oslo on Akerselva river, before bringing us to Sagstua where we enjoyed home made waffles as well as Tors inspiring presentation of Oslo River Forum.
Beijing is also uncovering its rivers and waterways - so it is very exciting to see results of the reconections with these key veins of life running through a city.

Best wishes for a good October and the continuation of the Year of the Rabbit!
On behalf also of YU Le and ZHAO Fazhong
Rigmor Johnsen (Mei Yuanmei)
